BRIEF ABSTRACT OF LETTER.

Forwards the Shimoga Dy. Commr's letter of 30/1 urging for the consideration of the previous recommendation for the resumption of the land and cash inams endowed to the said Temple.

NOTES AND ORDERS.

The facts of the case will be clear from Nuz. 7-No. 222-13 Pgs 1 to 4 put up.

As the village of Malagalla is depopulated, and situated in an unhealthy

Commr recommended the resumption of the cash grant of Rs 2-14-1 and inam land S. no. 23 of Malegaon village. The Rev. Commr having submitted the above recommendation,

3 Govt directed in their Rev. No. 2637 dy. 4th July 1914, that the inam and cash endowments of the temple be held in abeyance till further orders.

4 The Dy. Commr again recommends that sanction of Govt be obtained for the resumption of the inam and also for the remission of Rs 8-15-3, being the arrears due on the land for 1913-14. The Rev. Commr submits the above for the orders of Govt.

The difficulty pointed out by the Dy Commr is real if the land is to continue as inam in the accounts but the direction of Govt was that the inam should be in abeyance, that is temporarily made available for cultivation under Dharkhast rules and the land kept to the inam as temporarily Banjar in the village accounts. Is this treatment practicable under the rules

The Inam has been resigned by the manager of the temple, and nobody else seems to care to step into his place, because of the depopulated condition of the village, and its bad situation among the ghats. I think therefore that the Inam as now existing may be resumed. Such a measure of course, need not come in the way of a revival of the care of the temple, in case any one should in future offer to undertake it, in return for either an adequate cash grant or for land more conveniently situated.

There seems to be a practical difficulty in temporarily keeping the Inam in abeyance as the land cannot be cultivated and the arrears of revenue will go on accumulating. No such difficulty need be felt as regards the cash grant. A draft is put up for approval of the orders

Abegaum does not appear to have been contemplated by the present system of Survey & Settlement and the scheme of village accounts now maintained.

In accordance with (Jamabandi systems) the whole Survey area of a village is accounted for under Kharab, Inam, Assessed waste and occupied lands. An Inam land is temporary abegaum cannot rightly be classed as either Inam or Assessed waste as it is not held by the incidence of either, the Cannot be known as Inam as it would then be held by the Jodi and the arrears will have to be written up from time to time as Govt should be responsible for all writes up the Jodi. The Cannot be treated as Govt Banjar as it cannot be brought under the operation of the ordinary Darkhast rules. It is true that rule 52 provides for the granting of occupancies under special conditions of tenure but these relate to lands the property of Govt which may be required for Govt purposes under special contingencies.

Thus the practical ~~The bar to Inam~~ difficulty in dealing with the Inam in question

as contemplated by the Govt in order appears to be only a account. The extent will have to be deducted from Inam and added to Banjar Govt lands and the Govt will have to be deducted. In effect the same treatment has to be rendered as if the Govt resumed the lands.

If the extent is to be continued under Inam, then the Govt will have to write off and in effect it will be the same as if the lands were converted into Jaina margs, without reservation of right to levy a cess even. It may even be possible

In order that the Govt will be written off for a term of years, but in the present case there is no knowing when the service will be restored

On the whole considering the circumstances, it seems to be better to have the lands resumed once for all as in the case of other institutions where service has been stopped. If it should happen to be restored in the future, the same lands if available or Cash grant equal to the Govt Inam shall may be given

I am sorry for the delay, which was due to want of time to

FROM

K. Doraswami Iyer Esquire,

Revenue Commissioner in Mysore.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments.

SIR,

With reference to Government Proceedings No.2167-9/ uz.22?-13-4 dated the 19th February 1914 directing that the Inam and Cash endowments of the Sri Rameswaraswami Temple at Koralgallu village in the Sagar Taluk be held in abeyance until further orders, I have the honor to forward herewith for the orders of Government copy of letter No. 559 dated the 25th ultimo from the Deputy Commissioner Shimoga District urging again the resumption of the Inam endowed to the said Temple.

2. A sum of Rs 8-15-3 due as assessment on the inam land in question for the year 1913-14 has been ordered to be written off the accounts.

I have the honor to be,

Sir,

Your most obedient servant,

Revenue Commissioner.

Letter No. 559 dated the 25th January 1915 from the Deputy Commissioner, Shimoga District, to the Revenue Commissioner in ysore.

With reference to youe Memo No. 4962 dated 31st October 1914 observing that tangible grounds are not given for the remission of R$ 8-15-3 item No. 12, I have the honor to state that the temple of Sri Rameswara Devaru at Uralagallu village in the Sagar Taluk is endowed with an Inam land(survey No.33) measuring 8 acres and 19 guntas bearing a jodi of R$ 6/- together with an annual cash grant of R$ 2-14-0. Owing to the unhealthiness of the village it has been completely depopulated and consequently it was not possible to arrange for the cultivation of the land in question and for the conduct of " Puja " in the temple. On this account recommendation had already been made to resume the endowment of land and Cash Inam to Government in this Office No.783 dated 24th May 1913 and the Government were pleased to direct (in their Proceedings No.2167-9/ Muz. 222-13-4 dated 19th February 1914 communicated with your No. 11022 of 5th March 1914) the inam and cash endowment of the temple being held in abeyance until further orders. Under these circumstances it is clear that there is no likelihood of the arrears being recovered. I therefore request that the sum of R$ 8-15-3 shown in the accounts for 1913-14 may be ordered to be written off the accounts and sanction of Government obtained for the resumption of the Inam as already recommended in this Office No. 783 of 24th May 1913.
